

AMENDED IN ASSEMBLY JULY 5, 2005

AMENDED IN SENATE APRIL 4, 2005

SENATE BILL

No. 765

Introduced by Senator Dunn

February 22, 2005

An act to amend Section 18554 of the Health and Safety Code, relating to mobilehome parks.

LEGISLATIVE COUNSEL'S DIGEST

SB 765, as amended, Dunn. Mobilehome parks.

(1) Existing law, the Mobilehome Parks Act, makes it unlawful to permit any ~~waste water~~ *wastewater* or material from a plumbing fixture in a manufactured home, mobilehome, or recreational vehicle to be deposited upon the surface of the ground and authorizes the Department of Housing and Community Development to adopt rules and regulations to carry out the purposes of this provision. Existing law makes it a misdemeanor to willfully violate a provision of the Mobilehome Parks Act.

This bill would include a plumbing fixture in a permanent building located within a mobilehome park within the scope of the prohibition described above and would revise the scope of the prohibition to include sewage or waste material from any mobilehome park sewage or waste disposal system, thereby creating a new crime and imposing a state-mandated local program. The bill would authorize the department or a city, county, or city and county that assumes responsibility for the enforcement of the Mobilehome Parks Act to order either the removal or sanitation, or both, of any wastewater or sewage or waste material from any mobilehome park sewage or waste disposal system or from plumbing fixtures deposited on the surface of the ground, or require the removal, sanitation, or both in a manner

consistent with the requirements of, and subject to approval by, the local environmental health agency.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 18554 of the Health and Safety Code is
2 amended to read:

7 vehicle, or permanent building to be deposited upon the surface
8 of the ground. The enforcement agency may either order the
9 removal or sanitation, or both, of any wastewater or sewage or
10 waste material from any mobilehome park sewage or waste
11 disposal system or from plumbing fixtures deposited upon the
12 surface of the ground, or may require either the removal,
13 sanitation, or both, in a manner consistent with the requirements
14 of, and subject to approval by, the local environmental health
15 agency. ~~Except as provided in Section 18930, the department~~
16 ~~may adopt any rules and regulations which it determines are~~
17 ~~reasonably necessary for the protection of life and property and~~
18 ~~to carry out the purposes of this section.~~

10 SEC. 2. No reimbursement is required by this act pursuant to
11 Section 6 of Article XIII B of the California Constitution because
12 the only costs that may be incurred by a local agency or school
13 district will be incurred because this act creates a new crime or
14 infraction, eliminates a crime or infraction, or changes the
15 penalty for a crime or infraction, within the meaning of Section
16 17556 of the Government Code, or changes the definition of a
17 crime within the meaning of Section 6 of Article XIII B of the
18 California Constitution.
